## **COFFEE MAKERS 100, 90, 55, and 30 cup**

### **Operating Instructions:**

- 1) Fill the coffee pot with **COLD** water to desired amount. **DO NOT OVER FILL!**
- 2) Add coffee to basket. (see "coffee measurements" below)
- 3) Plug coffee pot into standard electrical outlet. **WARNING! Connect the cord directly into a suitable outlet and be certain no other equipment is operating from the same outlet! Failure to do so can reduce this unit's output and performance!**
- 4) When coffee has finished brewing, remove the basket.  
The pot will keep the coffee hot.

### **Cleaning Instructions:**

Please rinse out the Coffee pot and basket before returning to us.  
**NEVER IMMERSE THE COFFEE POT IN WATER!!**

### **Brewing time:**

It takes approximately 30 minutes to brew 30-60 cups of coffee.  
1 hour for 90-100 cups of coffee.
